Abraham Lincoln Memorial Squad

(est. October 2003)

The principal duty or the primary mission of the Memorial Squad is to render, at the request of the family or a designated funeral director, a military ceremonial burial service for honorably discharged veterans, at no charge to the family.

The veteran's family and friends also benefit by witnessing this memorial tribute of appreciation performed for their loved one.

Military honors are rendered each day of the week 9:30am to 2:30pm, regardless of weather conditions.

Completed uniforms, including winter and rain outerwear, are provided these volunteers; strictly by donations, as a federally tax exempt organization. No government funds are available or provided.

Committed volunteers, male and female, young and not so young, share a common trait: a dignified and noble calling to be a part of our nations final thanks...the opportunity to be of service, indeed, a sacred privilege.

To join the Memorial Squad please call: (815) 474-0321 or visit abrahamlincolnmemorialsquad.org
